CHICAGO TAKES SECOND GAME

DEFEATS NEW YORK BY SCORE OF 3 TO 2.

Largest Crowd That Ever Witnessed a baseball Game in Chicago Present—Brown and Mathewson Opposing Pitchers.

Chicago, Aug. 29.—Before the largest crowd that ever witnessed a baseball game in Chicago the New ork team lost the second game of the series to day to Chicago 2 to 3. Brown and Mathewson, two of the leading pitchers in the country, opposed each other in the box. Both pitched wonderful ball and had gilt edge support, as neither team made an error during the exciting contest.

For three innings the world's champions could not touch Mathewson, but in the fourth they got to him for six hits that netted three runs and won the game. In this inning Hofman hit into left field for two bases, Sheckard sacrificed and Chance chopped a bounder over Devlin's head, scoring Hofman. Evers singled into the crowd back of first. Steinfield singled to right, scoring Chance. Howard singled back of first, scoring Evers. Tinker bunted a pop foul to Tenney. Bridwell threw Kling out at first.

Brown lacked control in the first and New York got three hits and scored one run. Tenney singled. Doyle flied to Hofman. Bresnahan followed with a single and Donlin hit into center field crowd for two bases, Tenney scoring.

New York scored again in the fifth on singles by Tenney and Doyle, the former scoring on Donlin's long fly to Sheckard. Neither side scored after this inning.

As the result of Chicago's victory to day and an even break between Pittsburg and Philadelphia, Chicago and Pittsburg are tied for second place, with New York but one game and a half ahead of them.

SIMPLY WATCHING

No Action Taken by United States in Dispute Between Holland and Venezuela.

Washington, Aug. 29.—The report from London indicating the possibility of Great Britain taking some action to assist Holland in her disput with President Castro and that there had been informal references to Venezuela between British and American diplomatic representatives on that subject, called forth the statement from officials of the state department that the United States is simply watching and waiting developments in Venezuelan affairs. The United States, it is said, will await action by Holland and be guided by events as they are developed. It was stated there has been no conferences between diplomatic representatives of Great Britain and the United States in reference to the action of Holland toward Venezuela.

FUNERAL OF WM. F. VILAS.

Services of Simple Character Held Saturday.

Madison, Wis., Aug. 29.—Impressive in their simple dignity were the services which marked the funeral of William F. Vilas tris afternoon at the home and later at Forest Hill cemetery. Among those attending were Governor Davidson and other state officials, members of the university faculty and men with whom Vilas had been intimately associated in business, professional and educational work and throngs of men and women who had grown to love him in his many years residence in this city. The services at the Episcopal church were read by Rev. A. A. Ewing, rector of Grace church, and Rev. F. Gilmore of the Unitarian church read Tennyson's "Crossing the Bar."

ACCIDENTAL DEATH.

Canton, Ohio, Aug. 29.—In the absence of new evidence Coroner March said to day he would officially decide Rev. O. B. Milligan met an accidental death. Yesterday the minister was found dead in his home with a gunshot wound in his breat. At first it was believed Milligan ended his own life. It developed to day the minister had been cleaning the shotgun.

THINKS HE WILL BE ACQUITTED.

New York, Aug. 29.—Capt. P. C. Hains, Jr., who shot William E. Annis, was quoted to day as saying he wanted to be fully exonorated of the killing of Annis or go to the electric chair; that he was willing to accept punishment if he were wrong, but that he did not want to go to Matteawan insane asylum. He is said to believe he can be acquitted on the merits of the case and that his story, if told in court, will free his brother, T. Jenkins Hains.

SHOT BY ITALIAN.

Man Murdered While at Work in aBrber Shop at Chicago.

Chicago, Aug. 29.—Following the receipt of two black hand letters, Michael Diapluto, a well to do Italian, was murdered in his shop by an unknown man at 8 a. m. to day. Diapunto was proprietor of an Italian barber shop and was at work, when a stranger suddenly threw open the door, shot Diplunto dead, slammed the door and fled. The barber received a black hand letter last May demanding money on a threat to kill him, and a few days ago another letter came to him.

The murderer was pursued by a mob of fifty men and women, but held the crowd at bay and then disappeared down an alley. The police believe he is in hiding ini the Italian quarters. The police are certain the murderer was a black hand agent, ordered to slay the barber because the threatening notes failed to frighten him.

WOMAN MURDERED.

New York, Aug. 29.—Mrs. Frances McCabe, 20 years old, wife of a brick manufacturer, was shot through the body and seriously injured to night in the home of her father, Dr. Isaac Rosenthal, by Samuel Mannes, because she refused to leave her husband and elope with him. TAFT'S TRIP THROUGH OHIO

LEFT TRAIL OF SPEECHES AND POLITICAL ENTHUSIASM.

Brands Statement Dollar a Day Enough for Laboring Man a Lie—Defended His Judicial Decisions in Labor Cases.

Columbus, Ohio, Aug. 29.—Taft to day went through Ohio, leaving behind him a trail of speeches and political enthusiasm that will doubtless surpise the campaign managers, as his trip from the Virginia Hot Springs to Middle Bass Fishing club had been planned to be devoid of politics. But at Athens after delivering the speech he had prepared for veterans and which had no politics in it, Taft was whisked away to the Taft club, where the candidate spoke for forty minutes. In this time Taft discussed many important features of the campaign.

"There is one brief way to deal with the story which has been circulated that I have said that a dollar a day was enough for any laboring man," ejaculated Taft in the midst of this speech. "It is a lie."

The speaker came down on both heels and hung onto the last word of his sentence with emphatic tenacity which brought his listeners to their feet with cheers.

Taft defended his judicial decisions in labor cases with the statement that when acting as judge he endeavored to render judgment in accordance with law and the facts, "and I have no apologies to make."

In this connection he said he would be willing to receive the judgment any man who would read the records of these cases, and recent decision he had rendered. He expressed his approval of labor organizations and dissected the labor plank of the Democratic platform with the conclusion that if enforced it would be weaking the powers of courts and resulting in the loss to rights of labor.

Speaking with especial reference to labor, Taft said:

"I am asked what is the relation of the Republican party to labor. I want to make one statement First, that never in the history of this country has there been an administration that has passed more measures directly in the interest of laboring classes than the present Republican administration."

He recounted these measures and continued: "So I think if you will review the statutes you will find no congress and no administration has done as much to put laboring men on the level in dealing with a company with reference to his employment as has the Republican administration now which will end on the fourth of March next.

"It has been my lot to lay down rules with respect to the rights of labor in two or three cases, and I refer to these cases as a full statement of what I believe the rights of labor to be with reference to its employment. Labor has the right to unite in organizations for the purpose of looking after h etunited interest in its controversy with capital, because if it did not unite and was not permitted to unite, then it would lie helpless.

"Laborers have a right not only to unite, but to contribute funds which in times when they wish to leave the empoly of their employer when the did not like his terms, may support their fellow members. They have the right to appoint officers who shall control their action if they choose. They have the right to invite all other laborers to unite with them in their controversy and to withdraw if they choose from association with their employer.

"But they have not the right to injure their employer's property; they have not the right by what is called 'secondary boycott' to invite their persons into the controversy who wishes to keep out, by threatening to boycott him unless he assists them in the fight. In this fight between employer and employe or united employes they must fight it out between themselves, and they must not involve the rest of the community in it by a system of duress. This law I believe is a fair law and, being a fair law, when I was on the bench I attempted to enforce it."

Toledo, Ohio, Aug. 29.—The Taft party arrived here at 11:45 to night and at once left for Middle Bass lake, a three hour sail. The enthusiastic crowd at Columbus was duplicated at Dunkirk, West Mansfield, Arlington, Findlay and Bowling Green. The candidate made short speeches and shook hands with many in the crowds.

NEW YORK GOVERNORSHIP.

Roosevelt Thinks It Would Be Wise to Re-Nominate Hughes.

Oyster Bay, Aug. 29.—President Roosevelt's attitude in regard to the gubernatorial situation in New York was reflected to day in an interview given out by Rev. Dr. Ferdinand C. Inglehart, an intimate friend of the president. Inglehart was with the president for a time to day and the question of re-nomination of Governor Hughes was taken up.

"The president," said Inglehart, after the conference, "told me that he had no disposition to crowd his desires for Governor Hughes' renomination upon the leaders of the Republican party, but he did not hesitate to say that he thought it would be political wisdom to place Hughes at the head of the ticket again this coming election.

MOTOR CARS COLLIDE.

Columbus, Ohio, Aug. 29.—Thirty people were injured, two perhaps fatally, in a collision between two motor cars on the Columbus, Newark & Zanzesville Traction line at Hibernia to night. The fatally injured are Charles Wyatt, Newark, motorman; H. C. Bybee, Columbus.

STILL A MYSTERY

No Additional Facts in Roberts Case at Atlantic City—Preacher's Story.

At lantic City, N. J., Aug. 29.—Police to night say they have no additional important information concerning the Roberts case. No arrest is contemplated at present.

An operation to day disclosed the fact that the bullet passed through Roberts' liver and lodged in the muscle of his back. A story which may have some bearing on the case is told by Rev. Henry Fisher, whose family occupies a cottage two blocks from the scene of the shooting. He says that at the time of the shooting he was preparing to retire for the night when he was attracted by shots. He went to the window and saw three men running down the board walk. They turned into New Hampshire avenue and hurried toward Atlantic avenue. He lost sight of them in the darkness and ca ngive no definite description.

FATAL FIGHT IN MIDAIR.

Jelous Men Battle 150 Feet Above Grond—One Dead.

Chicago, Aug. 29.—As the result of a desperate battle on tok of a blast furnace 150 feet from the ground with Ivan Mcalitch, a fellow workman, Nicholas Vidovion, 25 years old, lies dead at his home. Struggling to throw each other into the blazing furnace, the men fought for fifteen minutes on a platform amid a shower of sparks, while horrified and helpless spectators looked on. Mealitch several times was forced near to the edge of the furnace by his strronger opponent, but finally broke away and seizing a crowbar dealt the blow which ended the struggle and caused Vidovion's death.

Mealtich is under arrest charged with murder. He told the police Vidovion several times had threatened his life and eye witnesses declared the slayer was compelled to use the crowbar to save his own life. It is believed the men quarrelled over a young girl.

Puddlers and other employes of the mill where the men fought flocked to the scene of the battle while it was in progress, cheered on their favorites and shouted instructions to them during the fight.

ENDED HIS LIFE.

Man Who Killed Wife and Son Commits Suicide.

Flora, Ill., Aug. 29.—Richard Turner, who killed his wife and then shot his son at Sailor Springs, this county, a few weeks ago, to day committed suicide in jail at Louisville, where he had been confined. KEENE'S HORSE WON RICH STAKE

CAPTURED $25,000 RACE AT SHEEPSHEAD BAY.

Only 12,000 in Attendance at Races—Classic Massachusetts Stake at Readville Won by Dewitte Saturday.

Sheepshead Bay, L. I., Aug. 29.—James Keene's fast filly Maskette won the rich futurity stakes for 2-year-olds to day and equaled the best time for the race, 1:11 1-5, made last year by Colin, also owned by Keene. This time, however, is 3 1-5 seconds slower than the best record for the distance, six furlongs. Sir Martin was second and Keene and Hamlet third.

The race was run before the smallest attendance gathered to witness the awarding of the historic prize in many years. At the start Helmet dropped in front and set a fast pace to the bend, where Maskette closed strong and taking the lead won easily by three lengths. Sir Martin came from away back and was second, a head before Helmet. Notter, who rode the winner, was londly cheered when he came back to the scales after the race. The attendance to day was 12,000. The stake was worth $25,000 to the winner.

TOWN ALMOST SWEPT AWAY

FOLSOM, N. M., A PISTURE OF WASTE AND DESOLATION.

Refugees From Flooded District Arrive in Denver—Seventeen of Twenty-one Missing Persons Accounted for.

Denver, Colo., Aug. 29.—A delayed Colorado & Southern train, bringing refugees from the district of Folsom, N. M., flooded by the Cimarron river, arrived about noon to day. Among the passengers was Frank D. Jones, a real estate man of Dallas, Texas. Jones said:

"I have never seen such a picture of waste and desolation since I gazed at the ruins of Galveston after it had been ravished by the tidal wave. The entire business dictrict of Folsom and a great portion of the residence section were washed down stream and the few business houses remaining had water up to their second floors.

"When we left Folsom seventeen of the twenty-one missing persons were accounted for. Seventeen dead bodies were found at various points down the river, some of them 35 miles below Folsom. The principal merchant of the town D B Wegner, was drowned and his body has not been recovered. The body of his wife was found eighteen miles down the stream and that of his daughter a mile below that point."

Another Flood Story.

Trinidad, Aug. 29.—Direct communication by wire with Folsom, N. M., which was devastated and isolated by a flood Thursday night, was established to day and it was learned stories that scores of persons are missing are unfounded. Up to this afternoon thirteen bodies had been recovered and only five persons were then missing. Some of the bodies recovered were horribly mutilated and unrecognizable. At the heighth of the flood water was thirteen feet deep and a mile wide in the canyon where the town is located. The force of the water twisted railroad rails like wire.

In North Carolina.

Fayetteville, N. C., Aug. 29.—After reaching the unprecedented height of 71 feet the flood waters of the Cape Fear river began to recede to day. It is estimated families were driven out of 100 homes, while at least 200 other houses were destroyed by water.

INDICATIONS.

VARIATING PRICE IN LAND.

Morgan county and the city of Jacksonville have some ups and downs, but none like those of the western town, regarding, which a well known citizen of this vicinity was relating his experience to a Journal reporter recently. The gentleman bought a few lots there at $400 each and his brother one at the same price some years ago. The place went ahead at a rapid rate and the gentleman named sold his lots at $1,000 each, and felt he had done well enough, though a year or two later his brother had an offer of $2,800 for his one lot, but thought he would hold on a while longer. The place started down and the lot for which $2,800 was bid, was finally offered for $5 without takers and went for taxes.

WILL TEACH AT JAMES MILLIKEN

William B. Olds Has Been Appointed Professor in Musical Department of Decatur School.

Mr. William B. Olds, formerly director of music at the Illinois Conservatory of Music, in this city, and for many years eminently successful as a vocalist and trainer of voices, both here and elsewhere, has been appointed professor of the Art of Singing and Theoretical Branches at James Milliken university.

Last year there were 444 students enrolled at the James Milliken School of Music, which maintains a staff of seven professors, two associate professors and a strong corps of instructors. The school is an exceptionally good one and Mr. Olds will undoubtedly fill his position there as successfully as he has here.

Owing to his large class of students in this city, Mr. Olds will spend a part of his time here. He will also continue to act as choirmaster at Centenary M. E. church, but will, of course, spend the greater portion of his time in Decatur.

WE WOULD RATHER HAVE

The reputation of giving our customers full value for every dollar paid to us than that of trying to make them believe we are giving them **something for nothing.** It seems to us better to offer **uniformly a square deal** rather than pander to the trading instinct by sliding a customer up and down on a scale of fictitious prices until that customer is satisfied, that by his own shrewdness, he has discovered the proper landing place. **"Real value" and "right prices" belong together,** and when so placed, and accepted, are promoters of loyal friendship between customer and dealer.

We seek your friendship, but not your disappointment, and whenever for legitimate. bona fide reasons discounts are possible, we are glad to offer them.

SCHOOL WILL SOON BEGIN

LARGE ATTENDANCE PREDICTED IN EVERY INSTITUTION.

Athletics at Both Illinois College and the High School Will Have Great Impetus—Attendance at Woman's College Will Be Largest in History of School.

- Business College Will Open Monday, Aug. 31.
- High School Will Open Monday, Sept. 14.
- Routt College Will Open Wednesday, Sept. 2.
- Woman's College Will Open Wednesday, Sept. 16.
- Illinois College Will Open Wednesday, Sept. 23.

In two more weeks the sound of the old familiar school bell will be heard in the city which will mean for the students nine months of hard study. Already the small boy over the city is growing restless and dreams of having to quit the pleasantries of summer life begin to obscure his vision. Jacksonville may well boast of her schools and colleges, for no other city in the Mississippi valley affords a better opportunity for learning and advancement. The name Jacksonville has become proverbial all over the country for education. Each passing day the heads of various institutions are flooded with letters asking about this or that particular school or studies obtainable, and soon again the city will put on a livelier appearance and we can only say welcome to the hundreds who will come and wish for them the best year possible.

Baseball will be laid aside and give place to the pig skin chasers and from the big athlete down to the small urchin, the capacity of the lungs will be tested in blowing up the coveted piece of leather.

High School.

The high school attendance this year will be as large, if not larger, than in past years. The larger attendance is predicted at the high school on account of the big class which graduated from the eighth grade, 107 in all, which will make an increase in the freshman class. Many calls have come to the superintendent's office from students who reside outside of the city, and the interest manifested by these students is keen. Repairs have been in progress on the high school building and all the walls and ceilings have been freshly decorated and both the woodwork inside and outside has received a new coat of paint. The coming of Prof. G. H. Wilkinson from Sioux Falls, S. D., the new principal, will mean much to the school, as he is a man of ability. Mr. Ruggles, of Traverse City, Mich., will be the new head in the commercial department. The new domestic science teacher is Miss Kate Louise Brown of Lincoln, Ill. She is not only a graduate in the domestic science course, but is a graduate of the Columbia School of Oratory, of Chicago.

The public schools will open Sept. 14, but the week before will be given over to the resignation days, according to classes.

Illinois College.

The outlook for the year 1908-09 for Illinois College and Whipple Academy is very bright and everything points to a large increase in attendance, especially in the academy. The outcome of the spring festival of the Conservatory points to a large number in that department. The college matriculation days are Sept. 21 and 22. First recitations September 23. An important feature of this year's work at the college will be athletics. Glenn Thistlewaite has been appointed as the new coach and with the good material which is coming in, there is no reason why Illinois can't support one of the best football and track teams in the history of the institution.

Woman's College.

The outlook at the Illinois Woman's college is very bright and there will be students enrolled from Florida to Manitoba and Sashkatchawan, British America. There will be a large number of young woman graduates from various high schools and many who will enter from other colleges in advance classes. Great interest has been manifested in the full college course which has been added to the college. A spcial feature this year will be the normal course which will prepare students for teaching.

The college has undergone a thorough cleaning since school closed and repairs to the amount of $5,000 have been made, which include two new boilers and a new heater. The interior has been newly painted and every thing looks neat and tidy.

Sept. 14 and 15 are the registration days and Wednesday, 16, school proper will commence. Dr. Harker reports that the attendance this year would excel any of previous years, which is certainly worthy of note and commendation.

Miss Frances White, of Chicago, and Miss Marion Rummler, of New York City, will be the new voice teachers. Miss Pitner of Evanston will have charge of the domestic science department, assisted by Miss Grace Russell; Miss Laura Tanner, English; Miss Grace Glasgow, philosophy. Miss Glasgow is a graduate of Miami university, Oxford, Ohio; Miss Russell and Miss Pitner are graduates of Columbia Union Teachers' college, New York. Miss Tanner has been teaching in Colorado college, Colo.

Routt College.

Wednesday, Sept. 2, is the date set for the opening of Routt college, and here to the outlook for new students is good. The work of last year was commendable and with the course as outlined covering all the classes. The new science teacher will be Prof. Kelly, a graduate of Fordham, N. Y. He is also a graduate of West Point Military school and has studied in Berlin.

Business College.

Various counties in Central Illinois will be represented at the Business college this year, which opens Monday. The list of students embrace graduates of various high schools and the management is looking forward to the best year in the history of the college.

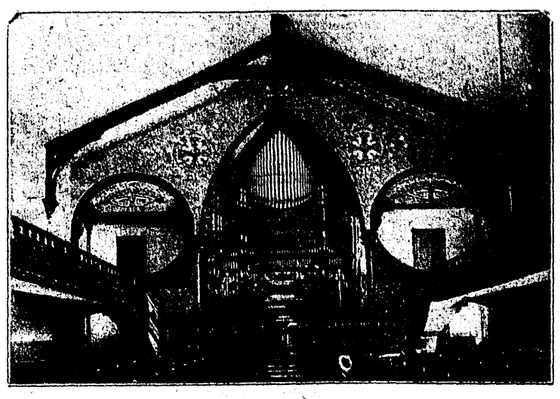
Reopening of Centenary Methodist Episcopal Church.

(As Church Appears After Being Remodeled.)



(Interior of Church Showing Pipe Organ.)

REV. WILLIAM D. PARR OF INDIANA WILL PREACH THE DEDICATION SERMON.

Exercises Will Start Earlier Than Usual and Other Churches of City Will Join in the Services—Program That Will Be Given During the Day.

The re-dedicatory services of Centenary church will be held to day. The congregation will be able to reassemble in its place of worship for the first time in two months. Rev. W. D. Parr, of Kokomo, Ind., will preach and will have charge of re-dedicatory services in the evening.

The hours of service will be somewhat earlier than usual. The Sunday school will be held at 9:15 a. m.; morning worship at 10:15 a. m. The change is made necessary in order that the congregation may be dismissed at usual time. Other Methodist church will dispense with their service in honor of the occasion. In the evening Dr. Parr will be assisted by other ministers present in conducting the service. The beautiful ritual of the Methodist Episcopal church for the ceremony of dedication will be used.

The present impovements, begun last June, have almost made the church into a new structure. The foundation has been strengthened, sills repaired, the bricks and stonework cleaned by the marvelous sand blast, old mortar replaced with new by the tuck pointing process, the inner walls refrescoed in an entirely new and novel design, modern art glass windows have replaced the old ones, all the woodwork has been repainted, and an electric lighting system installed. The parsonage has been extensively improved, a porch has been added, and several old sheds removed. Cement walks have been placed on both the church and parsonage lots. This, in some measure, accounts for the expenditure of the $7,500 raised last spring. The credit for the efforts put forth and their success is due to Rev. Merle N. English and the able corps of committees assisting him. The following will be the program to day:

LATEST IN OUTING COSTUMES.

The Journal's friend, Joseph Hopper of Merritt, has left at the office a clipping from the Portland Oregonian containing a picture of the very latest in outing costumes for young women. The young ladies evidently had posed for the occasion and are represented in the forest near their tent in careless attitudes, the very pictures of content and satisfaction. The article appended says:

Kelso, Wash., Aug. 13.—The above photograph shows the kha-ki camp of bachelor girls at Silver lake including Miss Mary Lilly Yancey of New York, Miss Ruth Moore of Jacksonville, Ill., Miss Elizabeth Blakely of Beloit, Wis., and Miss Mabel Mathews of Portland. Each member of the party is a crack shot with the rifle a good swimmer and a famous pedestrian. Each member will wear the latest styles in young women's outing costumes which every one will agree has the much talked of directorie gown left at the post."

To be more particular, the young ladies have on, as nearly as can be determined, ladies' hats, but the rest of the costume is masculine throughout, regular cow boy shirts with pantaloons and leather gaiters or leggings.

THE BIRTH RECORD.

An eight pound daughter was born to Mr. and Mrs. C. C. Sheppard Saturday morning at the home of the former's parents, Mr. and Mrs. I. D. Sheppard, near Woodson. Mrs. Sheppard was formerly Miss Idyll Rufus.

THE POWER OF STEAM.

Many May See But It Takes Genius to Realize.

When James Watt saw the steam causing the kettle lid to jump up and down he said "There must be power in that steam that it can lift such a weight."

There was.

Millions prior to him had seen the same phenomenon and regarded it as an unexplained mystery.

Recent scientific research has put its finger on the "cause" of Dandruff, Falling Hair, and consequent Baldness, and has unearthed a tiny germ which eats the life from the roots of human hair.

Newbro's Herpicide destroys this germ and consequently restores the hair to its natural state.

WHERE THEY PLAY TO DAY.

Oskaloosa at Jacksonville.
Waterloo at Keokuk.
Kewanee at Burlington.
Ottumwa at Quincy.

The Lunatics returned to their stamping grounds yesterday and incidentally dropped a game to their nearest competitors, Oskaloosa, whereby the latter team took a step nearer fifth place. It was a slow contest. The weather was of the stifling kind, doubly uncomfortable for both players and spectators. There were 276 of the latter present and they came out hoping to see a victory, as everyone counts right now if we are to remain at the top of the second division.

There was a new man tried out in left. His name is Trautman and it is said that he came here with good recommendations. He is a tall fellow, in the neighborhood of six feet and over, and runs like a steam roller. He did not make a very good impression during the three innings he was in the game, giving the idea that he is entirely too slow for such an important position as left field, where he has to stand comparison with Dang, Everett, Yant, Copeland, Lewis and the rest of the lightning fast left fielders of the Central. He got one scratch single, but Manager Berte gave the signal for retreat in the fourth and Gray went out to his old job where he belongs. There were some good plays in the game and some pretty poor ones, too. At that Jacksonville should have won. That Oskaloosa bunch has nothing on them. But the Loolas played the game better yesterday and backed up their pitchers without an error. Moreover their hits, while not as long as ours, came at the right time and were accompanied by costly errors by the locals. There were four pitchers used in the game. All were touched up pretty lively.

The Game

started with O'Hearn on the rubber for Jacksonville, with our old pitcher, 'Dad" McCarthy in the role of umpire, wher he seems perfectly at home and umpired a good game. The Loolas at once got down to business. Harris singled and was advanced on a sacrifice by Manager Kensel. Evans' out put Harris on third and a single by Everett scored the second baseman. Moody made the third out. Jacksonville scored first in the second, when Meloan hit for two bases and came on in when Blausser did the same thing. Oskaloosa had got another in her half on singles by Dowers and a steal of two bases. He scored when Harris hit for a single. The third was where the Loolas went into action and when it was over O'Hearn had finished for the day and Stauffer was sent in to try and pull the game out of the fire. Evans singled, but was forced by Everett to second. Dowers went out on a fly to Meloan, but O'Hearn hit McKinney and filled the bases. Coates hit a long one to right on which Everett and Moody scored, Coates getting second on the throw in. He died there as Sevier flew out. In our half it looked like a tie. Morris and O'Hearn began with bases on balls. Trautman got in a hit and Hughes flew out, but Meloan singled and Morris scored along with O'Hearn. Littlejohn went out, but Blausser drew a base on balls. With two on bases and Townsend up it look just right, but the doctor could only send one to McKinney and be thrown out at first. This inning also saw the finish of Sevier and Ritzman was trotted out. He had all the luck with him, for though we got two three baggers and a double off him, we scored but once and that in the eighth. It fell to Morris to hit for three and Gray's double scored him. Oskaloosa got the jump on Stauffer and clinched the game in the fourth. After that they were never headed and won as they pleased. Though Ritzman did not display anything extra in the pitching line, his team played great ball behind him and Kensel handled them like a general. As to that fourth. It began with Harris sending one to Gray, who took it in great shape. Kensel singled. Berte fumbled Evans' grounder just long enough to let Kensel reach second and Evans first. Everette's single scored the manager and sent Evans to third. ThenHughes slipped up on Moody's roller toward first which let in two. That was the end of the scoring for them, as Stauffer allowed but one hit the rest of the way. But that one inning settled the contest and sent us one step nearer the other end of the percentage table. And that's what hurts. To day there will be a double header and it's got to be won. It can be if the team will ginger up and go after it from the tap of the bell. The score of yesterday's game:

Oskaloosa.

Quincy, 8; Ottumwa, 1.

Quincy, Aug. 29.—(Special.)—The pitching of Bennett for Quincy was the feaure of to day's game with Ottumwa. The score:

	R.	H.	E.
Quincy	8	10	2
Ottumwa	1	4	4

Batteries—Bennett and Meir; Fleming and Corbett.

Burlington, 1; Kewanee, 4.

Burlington, Aug. 29.—(Special)—Burlington batters had hard work solving the delivery of Pressey for Kewanee to day. The score:

	R.	H.	E.
Burlington	1	5	1
Kewanee	4	9	1

Batteries—Boyd and Bruggeman; Pressey and Lage.

Keokuk, 0; Waterloo, 2.

Keokuk, Aug. 29.—(Special.)—Carroll of Waterloo held the locals to three swats and administered a shut out. The score:

	R.	H.	E.
Keokuk	0	3	3
Waterloo	2	6	2

Batteries—Carroll and Lemon; Adair and Lizzette.

Notes.

One of the good plays of the game was Hughes' stab of Kensel's liner in the second. It was the third out and came with two on bases, thus preventing further scoring.

* * *

Sevier is a slender youth about six feet two and wears his hair college style. He sports an '09 sweater. What college is he from and is the faculty "on"?

* * *

Had Berte slid into third in the sixth he would undoubtedly have made the bag, as the throw by Evans was so high that Kensel had to jump for it. Berte ran square into his arms and was tagged out.

* * *

Eight bases on balls were contributed to our all by the Oskaloosa twirlers, but only two of them were converted into runs.

* * *

The crowd was a fair one for Saturday. As this is the last Sunday game of the season there will no doubt be a good crowd. They are certain to see some good playing. If not on the part of one team, then on that of the other. It is to be hoped that the locals will go after both games. They are needed badly enough.

Let Kodol

Digest what you eat. Then you can Eat what you like.

You once could eat anything you wanted, and your stomach would digest it.

But now there's some things which your stomach won't digest. Your stomach absolutely refuses to accommodate you when you eat certain food—so you have been forced by your stomach to eat food which you detested, and pass up those delicacies that you would have really enjoyed.

There is a way now to eat any thing you like, if you will let Kodol digest it.

Kodol will do this, too. It won't talk back or command, but will go right ahead with its work and digest all the food you eat. Kodol will let you eat anything you like and all you want, and you won't suffer with that dull feeling, that fullness, and wish you hadn't eaten so much.

You will not have that heart-burn, which is so annoying at times, if you will let Kodol digest your food a while.

You don't have to use Kodol long—only for a little while—just long enough for your stomach to rest a little. It gets tired sometimes, too—just the same as anybody or part of your body that works.

Kodol will do exactly what your stomach does, when your stomach is well and strong, and more, when it is tired or out of order.

Kodol is composed of exactly the same juices as found in a healthy stomach, and therefore will do the same work as the stomach, when it is well and strong—the only difference is, Kodol never gets tired—and Kodol is the only digestant to-day, that will digest all food and do it as completely, as a strong, healthy stomach.

Get a bottle now and have it ready to help your stomach at times when you need an assistant. Kodol is at the nearest drug store.

Our Guarantee

Go to your druggist today and get a dollar bottle. Then after you have used the entire contents of the bottle if you can honestly say, that it has not done you any good, return the bottle to the druggist and he will refund your money without question or delay. We will then pay the druggist for the bottle. Don't hesitate, all druggists know that our guarantee is good. This offer applies to the large bottle only and to but one in a family. The large bottle contains 2½ times as much as the fifty cent bottle.

Kodol is prepared at the laboratories of E. C. DeWitt & Co., Chicago.

SPANISH-AMERICAN WAR VETERANS

Only Part of Local Soldiers Have Received Pay—Rate Paid Per Day.

Several of the local veterans of the Spanish-American war have received checks covering pay from the time they enlisted in the services of the state until they were mustered into the regular service. There are 1,898 veterans to receive checks, and owing to the amount of red tape necessary to be gone through with, the task of paying is a tedious one. Several of the local veterans have not as yet, received their checks, although they were notified several weeks ago that they would soon receive them.

The fund allowed to Illinois was $124,071.19 and was secured only through a visit of Gov. Deneen to Washington last spring, at the time conference of governors of all the states was held.

As soon as the money was secured, Adjutant General Scott sent to Washington for a verification of the list of both officers and privates who were entitled to participate in the distribution. A special form of check was prepared and for the purpose of expediting the payment the government has employed a special clerk to take care of the same.

Rate of Pay.

The list includes nine regiments of infantry, one of cavalry, and on battery of artillery. Both officers and men will receive pay from time of arrival in Springfield to the date of muster into the United States service, at the following rates per day:

Colonel, $9.72; lieutenant colonel, $8.33; major, $6.94; captain, $5.00; battalion adjutant, $5.00; first lieutenant, $4.17; second lieutenant, $3.89; first sergeant, $1; sergeant, $0.72; corporal, $0.60; artificer, $0.60; private, $0.52.

Some fine squabs will make up a fine meal at Illinois hotel this evening at 6 o'clock.

MATRMONIAL

Wise-Beemer.

Mr. Dural E. Wise of New Mexico and Miss Minie M. Beemer of Jennings, La., were married Saturday afternoon at 5 o'clock at the home of the officiating minister, Dr. A. B. Morey, on West State street. The ceremony was witnessed by only a few relatives of the contracting parties.

Both young people are well and favorably known in the community in which they reside.

Jeffries' Concert band will give a concert at Nichols park, to night from 7 to 10 o'clock.

ILLINOIS WOMAN'S COLLEGE.

Opening days September 14 and 15.

The college offers the best instruction in regular literary studies, and the very best advantages in music, domestic science, drawing and painting, and elocution.

The college is known everywhere as the largest and best school for young women in all the middle west, and draws students for more than a thousand miles. Young women in Jacksonville and Morgan county should not fail to share in its advantages.

WILL HAVE NEW GREENHOUSE PLANT

Harry Hofmann Floral Company Have Purchased Greenhouse Site—Business Has Prospered From Its Inception.

Since embarking in business as a florist several years since Harry Hofmann has made a marked success. So rapidly has the business developed that the firm has been changed into a stock company known as the Harry Hofmann Floral company. The new concern has purchased five and a half acres of land near the corner of Diamond street and Michigan avenue from Richard Mathews and will get possession Feb. 1. As speedily as possible after that date extensive green houses will be erected and the plant will be equipped in the most modern and up-to-date manner. The location is admirable for the purposes intended and no effort will spared to make the plant one which will be a credit to the city as well as the company. Mr. Hofmann will be in charge of the plant and will have a skilled force of assistants under his direction. L. G. Magill is associated with Mr. Hofmann in ownership and his sister, Miss Nellie Magill, for a number of years of the clerical force in Hoffman's store will have charge of the up-town office and salesroom, which will continue as heretofore at No. 25 south side square. Mr. Hofmann certainly deserves both congratulation and commendation for the showing he has made, for in a few years time he has succeeded in establishing a paying business and an enviable reputation for high class floral goods.

Another lot of loose diamonds just mounted in rings at Russell & Lyon's.

FORTY-THIRD year of the Business college will open Tuesday. Enroll Monday.

KEWANEE'S ESTIMATE OF REV. J. V. WHITING

New Pastor Who Comes to First Baptist Church of This City, Leaves Behind a Christian Work of Great Growth.

The following article, which is taken from a Kewanee paper is a high testimony of the worth and ability of Rev. Mr. Whiting as a preacher and a pastor:

"With the resignation of Rev. J. V. Whiting, after twelve years service in Kewanee, an unusually long pastorate ends. It encompasses the period of greatest growth and development of the First Baptist church of this city, which has become under his ministry the strongest society of the denomination in this part of Illinois.

"To minister to a church so long is not particularly noteworthy as it does not require special gifts to be a time-server in any occupation; but to serve a church so long and see it grow and prosper all the time, as has the Baptist church during Mr. Whiting's work, this is truly worth while. It is a record that is decidedly to the credit of Mr. Whiting at the same time that it is to the satisfaction of the church and the community.

"Throughout these twelve years of a life, dignified and beyond criticism, Mr. Whiting has made many warm friends here without as well as within his congregation. A a man of convictions and of interest in his community he has not hesitated to comment from his pulpit on things that were to the forefront of local discussion. Not unexpectedly such comment aroused strong objection from some of those thinking otherwise and others questioned the advisability of this or that line of expression. But sincerity, honesty and ability are the truest measuring sticks of any community and by them Mr. Whiting's life has squared, as even they will say against whom his shafts have been hurled in the fair fighting of opinions.

"He goes to his new field of work with a story of accomplishment behind him of which any minister might well be proud. Kewanee will remember him gratefully, as one who has been a force for righteousness and christianity in the community. His church which has given him loyal support and sees him go with deepest regret, will find his greatest and best work reflected in the many lives over which his influence has been exerted for good."

Comes at Busy Time.

Rev. Whiting comes to his charge at a busy time. The district association of the Baptist church for this district will meet with the first church Sept. 16-17. The Billy Sunday meetings will begin the last of September. Rev. Mr. Whiting will reside at 205 Pine street.
